ENGLISH 2

01002A000

Open to:

Grade 10

2 Semesters

Prerequisite: English 1

1 Credit

Content: English 2 is designed for students who feel comfortable with the demands placed on them in English 1A and who wish to refine their skills. Vocabulary, grammar, usage, and mechanics lessons will be combined with literature and writing to accomplish that end. The literature will include a study of the short story, a comprehensive study of Greek and Roman mythology, and the reading of plays, including at least one Shakespearean play. The writing concentrates on literary analysis.
